

## Elementary Students Participate in the Kids Heart Challenge

Students at Coloma Elementary, Oxford Elementary, and Westfield Elementary in Mr. Zoellner's PE classes recently participated in the Kids Heart Challenge program to raise money for the American Heart Association. CES collected \$4,705, OES collected \$3,430, and WES collected \$3,337 to benefit young people with heart ailments. Collectively, Westfield Elementary, Oxford Elementary, and Coloma Elementary earned \$11,400 for the 2024 Kids Heart Challenge campaign.

K-6 students participated in jumping and basketball activities during PE class to end the donation campaign.

For Coloma Elementary, Mrs. Palmer's class collected the highest amount of money and earned a pizza party as well as a bonus PE class. Mr. Toutant's 6th grade class totaled the highest amount of heart points (earned from jump rope and basketball scores) and won an ice cream sundae bar.

For Oxford Elementary, Ms. Stamper's class collected the highest amount of money and earned a pizza party as well as a bonus PE class. Mrs. Van Natta's 6th grade class totaled the highest amount of heart points (earned from jump rope and basketball scores) and won a bonus PE class as well.

For Westfield Elementary, Mr. Draheim's class collected the highest amount of money and earned a pizza party as well as a bonus PE class. Ms. Mularkey's 6th grade class totaled the highest amount of heart points (earned from jump rope and basketball scores) and won an ice cream sundae bar.

Thank you to all community members who donated to this incredible program.
