

Westfield Area High School Singers Receive Honors

Westfield Area High School students Benjamin (9th grade) and Eleanor (9th grade) have been selected to sing in the 2024 WSMA Honors Choir. The WSMA State Honors Music Project brings some of Wisconsin's top young musicians together with nationally recognized conductors in a highly disciplined, professional setting. Benjamin and Eleanor were among 1,500 students to audition for the 429 slots available in five ensembles.

This summer, they will attend a week-long camp at UW-Green Bay to learn the repertoire, and perform in October at the Overture Center during the WSMA State Music Conference.

In order to be considered for the award, the singer must score a perfect score, and sing above and beyond what is expected. Ben was nominated for his Musical Theater solo, and Sean was nominated for both his Musical Theater and Classical solos. Additionally, Sean WON the exemplary award for both of these solos!
