<u>Westfield Area Middle School Band Members Selected for WSMA's Middle Level</u> <u>State Honors Project</u>

Congratulations to Alyssa and Katie on their selection into WSMA's Middle Level State Honors project. Alyssa and Katie will perform for the State music convention on Saturday, October 26th at Verona High School.

Gabby and Zoey were also selected as alternates for this group. Hundreds of students from around the state audition for this group, so it is a huge honor and distinction for these students to be recognized and selected for this musical project.
